SUBJECT: MAYWOOD OUTSOURCE OF MUNICIPAL OPERATIONS

At the August 10, 2010 Board of Supervisors' meeting, Supervisor Antonovich requested a report back on the following issues regarding the City of Maywood's outsourcing of municipal services to the City of Bell:

1. How would the Sheriff's Department be impacted and reimbursed for services provided?
2. If the City of Maywood does not have a source for municipal services, is there a process where the incorporated area then becomes an unincorporated area and returns to County jurisdiction?
3. What are the legal ramifications on how those citizens are going to receive their municipal services such as trash collection and others?

Attached is a copy of the transcript to assist you in preparing your report.
